Great powerful bow with massive edges with rebound like a spring quality ? Natural and lightweight build-up for quality performance ? Very thick edges with high spine and thick toe

**CRICKET BAT SIZE GUIDE** Choosing the correct size bat is vital for the proper technical development of young cricketers. It is important that the bat is not too long and more importantly not too heavy to hinder correct stroke play and good technique. Junior bats are scaled down in size and weight to meet this important requirement. Below is an accurate guide to help you choose an accurate size for a junior cricketer.

**BAT SIZE**
